4-H Council Report: *by Assistant CCC Leader Sara Glashan April is volunteer appreciation month, so thank you to all of our volunteers. The CCC Scholarship applications are due May 10 (in the office, not just postmarked). There is a teen event being planned, and will likely be a drive in movie night for 4-H teen members. Fashion Review was Saturday, see more details later in the agenda. All Star Applications are due by 4:00 Thursday next week. The Sonoma Marin fair is having an in person livestock show this year, see more details later in the agenda. There will be a livestock show and auction at the Sonoma County Fair as well. The foundation is working on how indoor meetings will work at the YAL center, and they are taking reservations for the coming year.*

Healthy Living Officer Report: *by officer Gracie Downs Spring is coming! With that comes gardening and with gardening comes produce. Gracie would like to encourage you to go to your local farmer's market. Support your local farmers to get fresh, local foods! Sebastopol's Market is on Sundays, Santa Rosa's is every Saturday at 8:30 a.m., and Rohnert Park's will start in June on Fridays at 5:00 p.m.*

Old Business: Chicken Que Update: *by John Glashan Chicken que is May 1st (two weeks!). It is a drive through with presale tickets only. Unfortunately we cannot have an open house like we do most years. The Sequoia facebook page has the link for the online ticket sales. You can buy Chicken, Pie, T-Shirts, Hats, Tumblers, and combos of the above. There are limited supplies, so order yours soon! Volunteer opportunities are limited, but we still need help! April 21st is the*

deadline for the club collective orders and all ticket sales. **Fashion Review Update:** *by Caroline Hampton* It was hybrid, and all of the evaluators were in person with all of the participants online. Caroline was an evaluator and had a great time!

New Business: Sonoma Marin Fair: *by Kelly Hinde* This year the fair will be hybrid without an actual fair, instead having simple livestock shows and drive through food. It will be a single day species show with a limit of two animals per species (except for small animals with four entries). There will be no premiums this year, but there will be showmanship (for large animals there will only be ten showmen invited, for small animals everyone will be able to do showmanship). The shows will be in the parking lot under tents and out of trailers for large animals and by drop off for small animals. **Summer Picnic:** *by Michael Sitteneauer* We are going to have an in person event, but we don't have a plan yet, so we need more volunteers to help plan. **State Ambassador Report:** *by Caroline Hampton* With everything online, things are moving slower. We have a theme for SLC but we can't share it yet. SLC will be happening virtually this summer, at the end of July for all 4-H Seniors. The dates are July 23-25. Two weeks ago, our platform got put up on the website and is all about Sparks which are your passions and interests combined with goal setting.

Birthday Recognition: *by Song & Rec Leaders* We sang our birthday song to everyone born in April.

Announcements: Don't forget to check your email and find the calendar of club events on our website at www.sequoia4h.org. Also be sure to send Kelly pictures and articles for the website.

Adjournment: *by President Wyatt Gersley at 8:38 p.m. Bailey Glashan moved to approve the motion, Loomis Glashan seconded the motion, and it was passed by vote.*

Respectfully submitted,

Bailey Glashan
