Farmer 2050 is an app where you raise a virtual farm and our country is having a competition to see who can do the best! Download the app to participate. If anyone needs a Zoom meeting the 4-H office can help you out, and a good thing to work on during shelter in place is your record book!

Program: Our program for the meeting was club Nominations for next year.

Other Officer Reports:

- **Healthy Living Officer:** Gracie Downs reminded us to stay 6 ft apart, wear a mask when you go outside, and get good exercises to keep your lungs healthy during this time!
- **Community Service Officer:** Wyatt Gersley told us the blue bag project is delayed until May. For something else to do for your community put a teddy bear in your window for kids to see – they can go on a Bear Hunt when they are out for a walk

Old Business:

John Glashan discussed Chickenque. Chickenque is canceled due to shelter in place, we still have to sell the same number of tickets, and there will be a radio event on May 1 from 9 AM -12 PM to raise money for 4-H! You can also get a shirt or a hat for each sold ticket!

Members and the Song & Recreation Leaders sang Happy Birthday to those with April birthdays.

New Business:

- **4-H camp:** Everyone who's ever been to camp talked about what their favorite part is!
- **Summer picnic!** This year we are planning something simple in case we must cancel it. Planning on meeting at a park and playing some fun game! \

A motion to adjourn the meeting was made by Loomis Glashan and seconded by Caroline Hampton. The motion passed unanimously. The meeting was adjourned at 8:20 pm.

Respectfully Submitted,

Caroline Hampton
Secretary
